A ministry of the School Sisters of St. Francis

## The Maria Linden Community

Since our founding in 1874, the mission of the School Sisters of St. Francis has evolved to serve the needs of the times. We are based in Milwaukee, but the ministries of our international congregation stretch around the globe. Every day, we strengthen the impact of our Franciscan legacy by finding innovative ways to partner with others.

Maria Linden, a 72-unit independent senior and assisted living apartment community, is the latest example of our commitment to that mission. This ministry of the School Sisters of St. Francis is located on our historic Milwaukee campus. Our beautiful facility offers spacious apartments with features that allow residents to **age in place**. We offer all the comforts of home with the added security of around-the-clock staff to help you when you need it. Now...or in the future.
